American Cancer, Relay for Life

Dear, Family, Friends, & Colleges

I am righting this letter in hopes that I can gain everybody's support for this great cause, My wife Colette was diagnosed with stage three Breast cancer 2 ½ years ago, she has gone through a lot, and the treatments so far are working very well. I have gotten involved in the Relay for Life as a team captain this year in hopes to generate donations for this great cause, if it was not for all of our strides in Research & Development toward cancer my wife may not be alive today.

We all take things for granted in our day to day lives and forget how many families are affected by Cancer in some form or another, please help support this once a year event and get involved in donating or as one of my team members, we need all the help we can get.

The Relay for Life event will be held the weekend of March 14th & 15th at Hagerty High School, Oviedo Fl. Our Team theme is AC Development Group's Gone Fishing day. Come out and join us for this wonderful event.

Also, we are sponsoring a relay for life charity Motorcycle ride/poker run on February 23, 2008, all donations/profits are going to the American Cancer Society. For information you go to my web site at www.ACDevelopmentgroup.com

If you would like to donate online, you can go to the following link :

http://relay.acsevents.org/site/TR/RelayForLife/RelayForLifeFloridaDivision?fr_id=8183&pg=entry

Then go to view teams, click on AC Development and join my team or make a donation.

Thank you for your support

Mark A Bessette
